DETAILED ACTION

Status of the Application

Receipt of the Amendment after Final and Remarks, both filed 12/11/03 is acknowledged.

Claims 63 and 64 are pending. Claims 63 and 64 are allowed.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ken Lenke on March 15/16, 2004.

The application has been amended as follows:

In the Claims:

63. (New) In **Claim 63**, line 9, before the word "coating", the word "a" has been **replaced** with the words "**an enteric**".

New claim 64 has been added.

64. (New) The container according to claim 63, wherein the enteric coating is made of at least one material selected from the group consisting of cellulose acetate phthalate, polyvinyl acetate phthalate, methacrylic acid gelatins, hypromellose phthalate, hydroxypropylmethyl cellulose phthalate, hydroxyalkyl methyl cellulose phthalates or mixtures thereof.

Allowable Subject Matter

Claims 63 and 64 are allowed.

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the prior art (Hansen *et al.* US 6,423,346 B1 and Jones US 4,892,766) do not disclose nor fairly suggest a container for housing a unit dosage form of an active agent of a gelatin composition that comprises 83 to 93% by weight of fish gelatin, 7 to 17% by weight of water and 0.1 to 10% of a hydrocolloid setting system, whereby the gelatin compositions can be used to make hard gelatin capsules and whereby the container further comprises an enteric coating.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
